

## MISSION STATEMENT

The main objective of **ROOTS IN RECOVERY** is to provide men, who have the desire and willingness to pursue freedom from alcohol and drug addiction, every opportunity to develop the tools necessary for recovery. We are committed to providing our clients with a safe, supportive, substance free environment and to always treat them with dignity and respect.

We encourage our clients to work together in a spirit of unity to rebuild their lives, develop a strong foundation for their recovery, and to become productive members of society.

## ABOUT US

**ROOTS IN RECOVERY** offers structured transitional clean and sober living for its clients. The transitional living homes provided are not flop houses!

On the contrary, each house has structured guidelines and a live-in manager to promote safety and accountability.

Our homes were selected based on their close proximity to meetings, public transportation, jobs and shopping.

## VISION STATEMENT

ROOTS IN RECOVERY offers structured & recovery oriented living for its clients.

The recovery residences provided are not flop houses!

On the contrary, each house has structured guidelines and a live-in manager to promote safety and accountability.

Our homes were selected based on their close proximity to meetings, public transportation, jobs and shopping.

ROOTS IN RECOVERY LLC is owned and operated by recovering alcoholic/addicts who believe in the 12 step recovery process.

If you are an addict or alcoholic, we hope that the opportunities and structure provided by our transitional living program will help you build a strong foundation in your recovery that transcends into a new way of life.

It is our sincere desire to be of service to the individual seeking recovery and to society as a whole.
